Mr. Philip Grasha-Yearbook Advisor

Yearbook Production Staff

I would personally like to thank the entire yearbook staff for all of the hard work and long hours that they put forth during the production of this book.

I am especially grateful for the help of Christy Himes, Cara Harbison and Jill Brooks. These girls put their heart and soul into the production of this yearbook and I will be eternally grateful for their efforts and the memories thereby obtained.

Christy-caught in the act!

Christy, Jill and Cara take their frustrations out on the advisor.

Do you think Jill is happy the yearbook is almost done?
